November 13, 2018

0.1 Adding a Layer to the BSA GIS

0.1.1 Add an Imagery Layer

To Add an Imagery Layer to a BSA Map:

Go To BSA Program Setup (BSA Settings)

In **Program Setup** ⇒ Select **GIS Settings...**

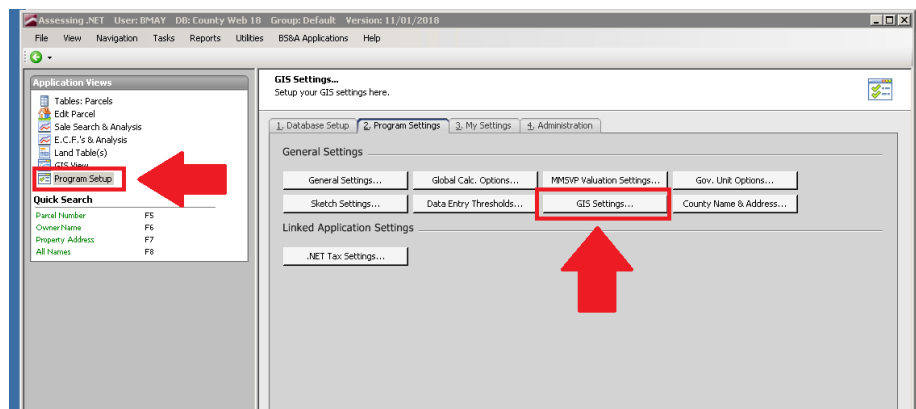

Figure 1: BSA Program Setup

Setup Map Collections (BSA Settings)

In GIS Settings ⇒ Map Collections ⇒

Double click on the map that you want to add a layer to

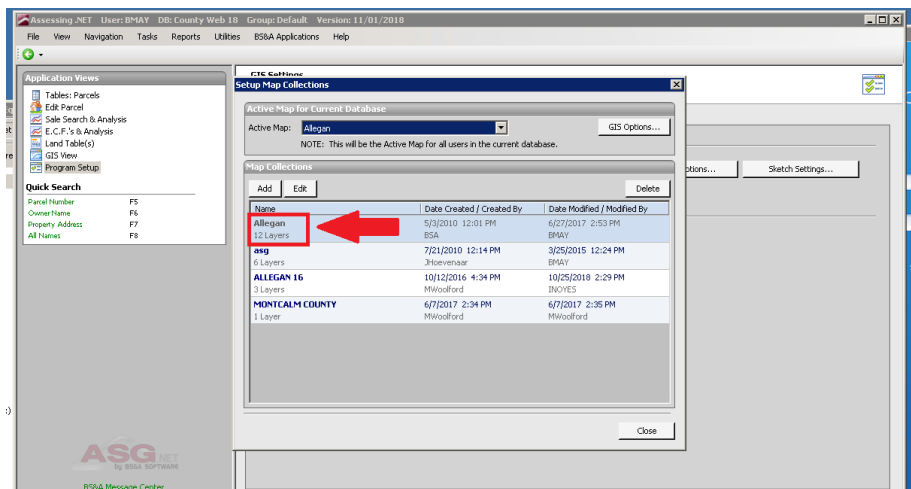

Figure 2: GIS Setup

In Setup Layers (BSA Settings)

Setup Layers ⇒ Add

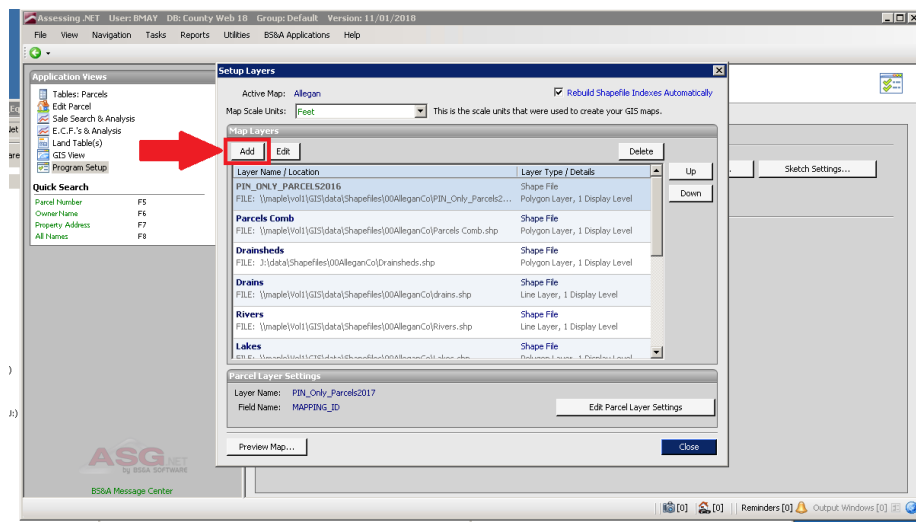

Figure 3: Layers Setup

Select Layer Type (BSA Settings)

Setup Layers ⇒ Select Image ⇒ OK

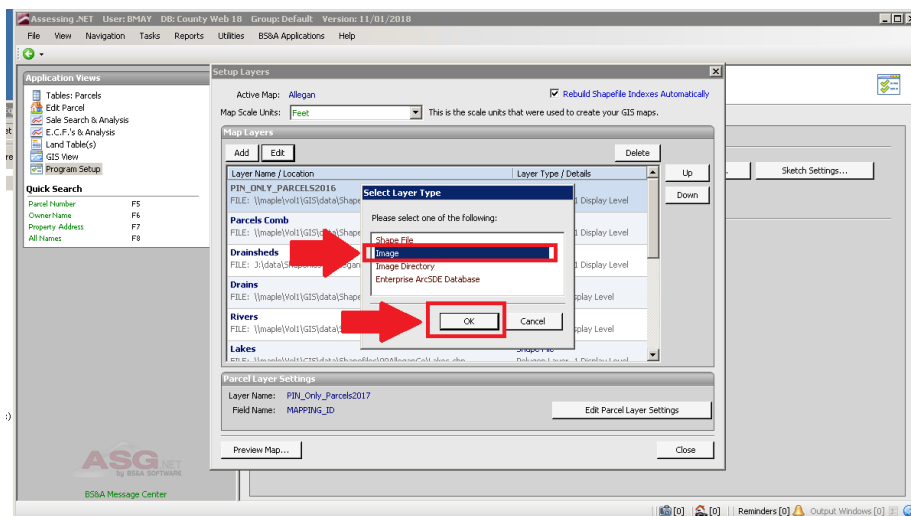

Figure 4: Select Layer Type

Add Layer From Local Drive (BSA Settings)

Navigate to Image File ⇒ Open

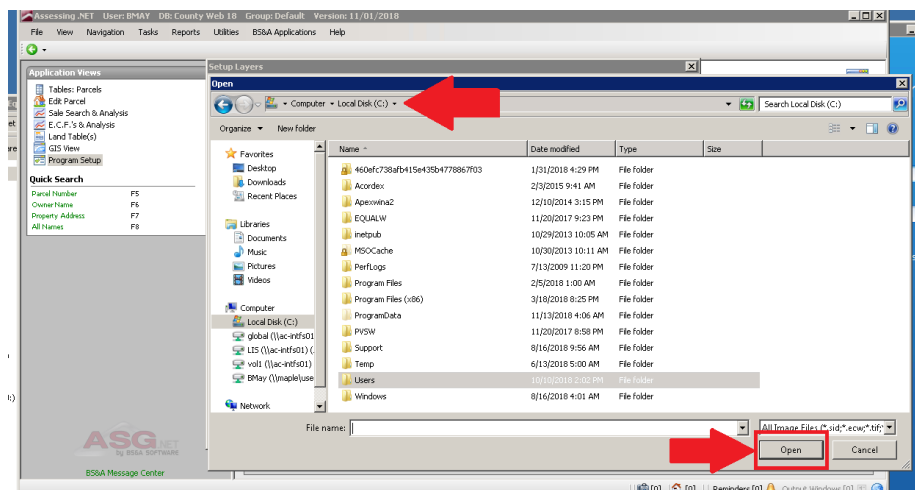

Figure 5: Add Layer From Drive

The new image is in the map
