Contents

GIS CHAMPION

An individual whose actions promote the use of GIS

GIS CHAMPION AWARD

Figure 0.1: Example GIS Champion Award

Background

Though Allegan County has had a formal GIS department for over 20 years, few people have learned to use it.

Statement of Problem

GIS is underutilized in Allegan County government. The county would benefit from more GIS use in its government. Currently there is no formal recognition of individuals that promote GIS.

Analysis

The GIS Champion Award is a simple method of recognizing those that promote GIS in the county.

Past GIS Award Recipients

- Ian Hanes
- Karen
- Brian Redmon
